What will be covered during the 5 days?

Overall, you will learn how to join the dots between Levels 1-4 of the Parelli Program, On Line, Freestyle and elements of Finesse riding using the Parelli Seven Games. You will be able to put what you have been practicing with your horse to the test. Many people turn to competition to test the foundation they have put on their horse or never really do have a way of 'seeing what they have', while this camp allows you to experience this in a fun atmosphere with like-minded people.

We will go over the Qualities of a natural horseman, which include, heart and desire, respect, impulsion, flexion, attitude, feel, timing, balance, savvy and experience. You will gain a better understanding of how each quality relates to the Parelli Program and how it directly affects your partnership with your horse.

What will a typical day include?

We will start each morning with catching and feeding our horses, followed by breakfast at the campsite. The day will include a minimum of 4 hours riding with loops back to the existing camp for that night, the camp will include On Line ground skills, as well as FreeStyle riding and elements of Finesse Riding. There will be a mid-day break for lunch and rest. Evenings will include, feeding horses and dinner as a group and enjoying each other's company around the campfire and some poems and guitars to finish out the day.

You will arrive the Sunday before the camp to the camp Robbers Roost, (Larsen's Property) by 5pm. We will finish up at camp on the Friday and you will depart the Saturday morning before 10am.
